Frame Material:

Plastic, polycarbonate

Carrying Case:

Provided

Support Method:

Head strap

Design Type:

Single aperture

Product Name:

Glasses, ballistic

Special Features:

Lenght: 177.6mm, width: 140.0mm, color: black, contains: elastic retention strap, interchangeable lens: smoke gray, hi-def yellow, clear, 2.4 mm high-impact 100% uva/uvb polycarbonate lenses, ansi-z87.1 -2010, us federal osha, ce en166 ftkn, and military specification us mil-prf-31013 compliant.

Style Designator:

One piece frame and lens single aperture

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T234-c

Mil-std (military Standard):

Mil-prf-31013 spec.
