**Closure Fastening Type:**

Slide fastener

**Closing Device Location:**

Along right side slide fastener opening

**Special Features:**

Insulation made of polarguard 3d, inner shell is p300t polyester taffeta, outer shell is nylon-polyester diamond cross dye repstop, color is ocean shell with silver lining

**Length:**

80.000 inches

**Width:**

31.000 inches

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T193-d
