Height:

9.000 inches

Environmental Protection:

Cold resistant

User Designator:

Aircrewman

Size:

6-1/2

Tread Surface Type:

Nonslip

Fastening Method:

Lacing

Features Provided:

Breathable and waterproof

Toe Construction Type:

Closed

Special Features:

Expanded polytetrafluoroethylene outer; thinsulate lining

Color:

Black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24800
