Composition And Percentage:

99.99 by volume nitrogen

Cylinder National Stock Number:

8120-01-362-6386

Supplied Cylinder:

Supply item

Product Name:

Nitrogen technical

Special Features:

Conus nsn purity by volumn min 99.99 percent, type i grade b

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T095-c
