**Composition And Percentage:**

99.99 by volume nitrogen

**Cylinder National Stock Number:**

8120-01-362-6386

**Supplied Cylinder:**

Supply item

**Product Name:**

Nitrogen technical

**Special Features:**

Conus nsn purity by volumn min 99.99 percent, type i grade b

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T095-c
