Nitrogen Propellant Pressurizing Agent - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/9135-01-591-9695

Composition And Percentage:
99.99 by volume nitrogen
Cylinder National Stock Number:
8120-01-362-6386
Supplied Cylinder:
Supply item
Product Name:
Nitrogen technical
Special Features:
Conus nsn purity by volumn min 99.99 percent, type i grade b
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
Т095-с
