Lubricity At 6 Designator Deg Centigrade:

520.0 micrometers

Supply Classification:

Bulk

Environmental Attribute Code:

Biodiesel blend b20 to b99 - alternative fuels

Special Features:

Product is a blend of 80% diesel fuel conforming to astm d 975 and 20% biodiesel conforming to astm d6751

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A090a0
