Maximum Operating Temp:

300.0 degrees fahrenheit

Basic Ingredient:

Any acceptable

Service Characteristics:

Water resistant and wear resistant

Quantity Within Each Unit Package:

1.000 pounds

Grease Type:

Any acceptable

Minimum Dropping Point:

450.0 degrees fahrenheit

Special Features:

Contains no silicones; worked penetration - 265 to 320

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
