Physical Form:

Any acceptable

Unit Package Type:

Pail

Basic Ingredient:

Mineral oil-calcium soap

Service Characteristics:

Corrosion resistive and water resistant

Quantity Within Each Unit Package:

35.000 pounds

Melting Point Temperature Rating:

Not rated

Grease Type:

Water pump

Minimum Dropping Point:

210.0 degrees fahrenheit

Effective Temperature Range Rating:

Not rated

Vapor Pressure Maximum Temperature Rating:

Not rated

Specification Or Standard:

A type and 4 grade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
