Damping Fluid - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/9150-01-056-7348

#### **Basic Ingredient:**

Silicone fluid

**Quantity Within Each Unit Package:** 

8.000 pounds

Viscosity At Rated Temp:

50.00 77 degrees fahrenheit

#### **Reference Number Differentiating Characteristics:**

As differentiated by viscosity at rated temp, quantity within each unit package and unit package type

Shelf Life:

N/a

### Unit Of Measure:

---

## Demilitarization:

No

Fiig:

A41600
