Damping Fluid - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/9150-01-056-7348

Basic Ingredient:
Silicone fluid
Quantity Within Each Unit Package:
8.000 pounds
Viscosity At Rated Temp:
50.00 77 degrees fahrenheit
Reference Number Differentiating Characteristics:
As differentiated by viscosity at rated temp, quantity within each unit package and unit package type
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A41600
