Maximum Operating Temp:

325.0 degrees celsius

End Application:

Mk38 25mm gun

Basic Ingredient:

Lubricating oil

Service Characteristics:

Water resistant

Special Features:

Lubrication has unlimited shelf life and is effective in temps ranging from -40deg c to 325deg f; flash point 500deg

Color:

Green

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
