Maximum Operating Temp:

650.0 degrees fahrenheit

Physical Form:

Liquid

Basic Ingredient:

Synthetic oil

Service Characteristics:

Wear resistant

Quantity Within Each Unit Package:

4.000 ounces, fluid

Grease Type:

Wheel bearing

Special Features:

Superior lubrication; extended service life

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
