**End Application:**

25 hp - 2 stroke outboard motor

**Fatty Material Type:**

Any acceptable

**Quantity Within Each Unit Package:**

Not provided

**Product Name:**

Storage seal rust inhibition

**Special Features:**

Blend of corrosion inhibiting additives designed to coat engine components during engine storage and decrease rust formation

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A41600
