Effective Temperature Range Rating:

-40.0/+175.0 degrees celsius

Vapor Pressure Maximum Temperature Rating:

20.0 degrees celsius

Special Features:

It is a high performance lithium-complex grease; color, green; odor, mild, negligible; suitable for lubricating cams, ways and other sliding elements; other applications include vehicles and greased components in paper mills, where both water and high temperatures are encountered. It comes in a 35lb pail.

Test Data Document:

3u728-mobilith aw-2 standard (includes industry or association standards, individual manufactureer standards, etc.).

Specification Data:

3u728-mobilith aw-2 professional/industrial association standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
