**Basic Ingredient:**

Molybdenum disulfide

**Special Features:**

Grey/black color, operating temperature -65'f to 250'f, 500'f intermittent, air dry 12 hours, recommended thickness 0.0002" to 0.0005". Bulk shelf life 6 months.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T096-b
