Basic Ingredient:

Molybdenum disulfide

Special Features:

Grey/black color, operating temperature -65'f to 250'f, 500'f intermittent, air dry 12 hours, recommended thickness 0.0002" to 0.0005". Bulk shelf life 6 months.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T096-b
