Semifluid Lubricating Oil - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/9150-01-572-3077

End Application:
Spacelift range systems
Basic Ingredient:
Hydrocarbons
Quantity Within Each Unit Package:
1.000 kilograms
Product Name:
Quin-cip lubricant
Special Features:
Viscosity (cs at 104 degrees f) 95-105; appearance pale yellow oil; gravity0.8816; melting point 0 degrees f; flash point 425 degrees f;
functional use compressor lubricant; 1 gallon, sae 30
Shelf Life:
N/a
Unit Of Measure:
<del>-</del>
Demilitarization:
No
Fiig:
A41600
