End Application:

Eurofighter 2000

Fatty Material Type:

Synthetic oil

Minimum Viscosity Index:

124.0

Quantity Within Each Unit Package:

10.000 ounces, fluid

Viscosity At Rated Temp:

18.00 100 degrees celsius

Special Features:

Clear, colorless, fluorinated synthetic oils, nonreactive, nonflammable, safe in chemical and oxygen service and are long lasting.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
