Physical Form:

Tube

Basic Ingredient:

Gelling agent and petroleum oil

Service Characteristics:

Corrosion resistive and water resistant

Grease Type:

Chassis or water pump

Minimum Dropping Point:

300.0 degrees fahrenheit

Special Features:

Grease shall be a smooth homogenous mixture, free from lum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
