**End Application:**

Navy code 41a090011

**Fatty Material Type:**

Synthetic oil

**Lubricant Type:**

Universal

**Special Features:**

Synthetic coolant has been developed for use as a grinding and heavy duty machining fluid for ferrous metals; engineered for hi-feed and speed

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A41600
