Air Compressor Lubricating Oil - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/9150-01-580-6266

End Application:
Used on pumps and compressors
Fatty Material Type:
Synthetic oil
Basic Ingredient:
Synthetic oil
Quantity Within Each Unit Package:
5.000 gallons
Product Name:
Par oil s
Special Features:
Flash pt. 255 degrees c.; yellow, slight odor; liquid; solubility/insoluble in h20; pour pt -50 degrees c
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A41600
