**End Application:**

Mrap-rg-31

**Product Name:**

Lps force 842 dry mold

**Special Features:**

Excellent high load, high temperature, dry film lubricant for dusty environments; withstands temperatures up to 842 degrees fahrenheit (450 degrees celsius); pressure to 100, 000 psi (6890 bars); for assembly and break-in lubrication

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A41600
