End Application:

Iroquios helicopter/af

Physical Form:

Solid

Basic Ingredient:

Lithium soap

Product Name:

Lubiplate 1241

Special Features:

Lithium base, tough grease; 40 ea in carton; semi-solid; smooth, off-white grease; flash pt 246 degrees c; boiling pt less than 288 degrees c; mineral oil odor; vapour press less than 0.01; lwr flam limit 0.9 percent by vol.; upper 7.0 percent by vol.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
