Gear Lubricating Oil - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/9150-01-601-2439

End Application:
Gears
Lubricant Type:
Any acceptable
Service Characteristics:
Any acceptable
Quantity Within Each Unit Package:
208.0 liters
Viscosity At Rated Temp:
137.0 40 degrees celsius
Minimum Flash Point And Test Method:
184.0 degrees celsius pensky-martens closed cup
Product Name:
Lubricant oil
Special Features:
Liquid, red, mild odor, negligible in water
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A41600
