**End Application:**

Gears

**Lubricant Type:**

Any acceptable

**Service Characteristics:**

Any acceptable

**Quantity Within Each Unit Package:**

208.0 liters

**Viscosity At Rated Temp:**

137.0 40 degrees celsius

**Minimum Flash Point And Test Method:**

184.0 degrees celsius pensky-martens closed cup

**Product Name:**

Lubricant oil

**Special Features:**

Liquid, red, mild odor, negligible in water

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A41600
