Physical Form:

Liquid

Service Characteristics:

Wear resistant

Quantity Within Each Unit Package:

2.0 ounces, fluid

Storage Type:

Temperature controlled warehouse

Product Name:

Zip care lubricant & protectant

Special Features:

U/oplastic, nylon, metal zippers; push/pull Brust top; removes sand, dirt, salt deposits; no polymerization; semi-viscous; faint, sweet odor

Color:

Colorless

Supplementary Features:

Cat. No.944ctln944, upc 021563291162

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
