End Application:

Gear boxes

Fatty Material Type:

Any acceptable

Basic Ingredient:

Any acceptable

Lubricant Type:

Worm gear

Service Characteristics:

Antiwear

Quantity Within Each Unit Package:

55.0 gallons

Viscosity At Rated Temp:

11.5 100 degrees celsius

Product Name:

Lubricant oil, gear

Special Features:

Brown liquid

Supplementary Features:

Specific gravit (water=1) : 0.89-0.91

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
