End Application:

Air compressor ph navfac

Fatty Material Type:

Synthetic oil

Basic Ingredient:

Hydrocarbons

Lubricant Type:

Any acceptable

Service Characteristics:

Antiwear

Quantity Within Each Unit Package:

5.0 gallons

Viscosity At Rated Temp:

46.2 40 degrees celsius

Product Name:

Mobil rarus shc 1025

Special Features:

Pale yellow liquid, odor characteristic; negligible in water

Supplementary Features:

Relative densit (at 15c) : 0.821; boiling pt/range >316 c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
