End Application:

1090-25-160-1150

Physical Form:

Solid

Basic Ingredient:

Any acceptable

Product Name:

Molub-alloy foodproof 823-2 fm

Special Features:

Density <1000 kg/m3 @ 20 degrees c; very slightly soluble in water

Color:

White

Supplementary Features:

Closed cup >170 degrees c flash pt.; stable; used as lubricant

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
