End Application:

Water purification unit/model nirosoft z-gse-329

Fatty Material Type:

Any acceptable

Lubricant Type:

Any acceptable

Service Characteristics:

Antiwear

Minimum Flash Point And Test Method:

500.0 degrees fahrenheit cleveland open cup

Product Name:

30/40 wt epdm oil

Special Features:

Product trade name: cp-1518-f-series; clear liquid, gray to brown tint; boiling pt >600 degrees f; soluble in water; stable; avoid excessive heat

Supplementary Features:

Specific gravit (water=1) : 1.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A41600
