Storage Temperature Range:

+50.0 to 122.0 degrees celsius

Physical Form:

Paste

Service Characteristics:

High temperature

Quantity Within Each Unit Package:

18.0 kilograms

Storage Type:

General purpose warehouse

Grease Type:

Wheel bearing

Minimum Dropping Point:

180.0 degrees celsius

Product Name:

Shell gadus s2 v100 2

Special Features:

Negligible in water; auto-ignition temp. >320 degrees c/608f; semi-solid @ room temp; odor slight hydrocarbon; flash pt >200 degrees c

Color:

Amber

Supplementary Features:

Boiling pt >65 (149 f) ; densi type 900km/m3@15c/59f

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A41600
