**Storage Temperature Range:**

+50.0 to 122.0 degrees celsius

**Physical Form:**

Paste

**Service Characteristics:**

High temperature

**Quantity Within Each Unit Package:**

18.0 kilograms

**Storage Type:**

General purpose warehouse

**Grease Type:**

Wheel bearing

**Minimum Dropping Point:**

180.0 degrees celsius

**Product Name:**

Shell gadus s2 v100 2

**Special Features:**

Negligible in water; auto-ignition temp. >320 degrees c/608f; semi-solid @ room temp; odor slight hydrocarbon; flash pt >200 degrees c

**Color:**

Amber

**Supplementary Features:**

Boiling pt >65 (149 f) ; densi type 900km/m3@15c/59f

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A41600
