Physical Form:

Tube

Basic Ingredient:

Silicone

Quantity Within Each Unit Package:

100.0 grams

Grease Type:

Water pump

Effective Temperature Range Rating:

-40.0 to 200.0 degrees celsius

Product Name:

Silicone compound

Special Features:

Compatible with many plastics and elastomers

Color:

White

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A41600
