End Application:

Manlift, hydraulic

Physical Form:

Liquid

Product Name:

Grease, dielectric (nyogel 760g)

Special Features:

Avoid heat, flames and sparks; material: is stable in normal conditions; colorless clear liquid; slight odor; flash point class: combustible
iiib; shelf life: 4 years; form: liquid, semi-solid; may cause irritation to skin and eyes; item is not flammable;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
