Maximum Operating Temp:

1400.0 degrees celsius

Physical Form:

Paste

Effective Temperature Range Rating:

-40.0 to 1400.0 degrees celsius

Product Name:

Asw grease

Special Features:

Consistency: ngli-class 0-1, pressure resistance: 3800-4000 n (vka-test), pressure load: 230 n/mm

Color:

White

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
