Basic Ingredient:

Synthetic oil

Product Name:

Esso beacon 325

Special Features:

High performance grease specifically formulated for the lubrication of precision equipment operating at moderate and low temperatures; special synthetic base oil provides excellent low-torque and low temperature properties; excellent oxidation stability for extended grease life needed for filled for life applications; very good water resistance ensures proper lubrication even in the presence of incidental water contamination; low volatility base oil permits operation at moderate to high temperature without fluid evaporation

Color:

Tan

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A41600
