Product Name:

Nyk dielectric grease

Special Features:

Appearance: paste, semi-solid; odor: petroleum; flash point: coc >399.00 deg. F.; water solubility: negligible; dropping point: >350.00 deg. F.; vapor density: >1; evaporation rate: <1; avoid heat, static electricity, sparks, sources of ignition, strong acids and oxidizing agents;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41600
