Product Name:

Zf lifeguard transmission fluid

Special Features:

Appearance: brown liquid; color: brown; physical form: liquid; flash point: 200.00 deg. C.; insoluble; avoid strong oxidizing agents;

hazardous decomposition products: carbon dioxide, carbon monoxide, oxides of nitrogen, dense black smoke;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A41600
