**End Application:**

1940-01-633-1660

**Quantity Within Each Unit Package:**

1.00 gallons

**Minimum Flash Point And Test Method:**

72.00 degrees celsius cleveland open cup

**Product Name:**

Brp xd 50 2 cycle outboard engine oil

**Special Features:**

Color: blue; physical state: liquid; odor: mild petroleum; category 4 flammable liquid; relative density: 0.87; negligible in water: viscosity: 36 cst; hazardous polymerization will not occur; avoid contacts with acids and strong oxidizing agents; containers are 1.00 gallon containers;

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A41600
