Fabrication Method:

Chemical

Width:

9.000 inches

Length:

15.500 inches

Usage Form:

Sheet

Surface Condition:

Vellum

Pulp Material:

Fiber, wood

Basis Weight:

130.0 pounds per 1000 sheets 20.0 x 26.0 inches

Special Features:

Grain, long

Color:

Blue

Specification Or Standard:

2 type and a class

Departure From Cited Designator:

As modified by nom basis wt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A09200
