Fabrication Method:

Mechanical

Width:

22.500 inches

Length:

30.000 inches

Usage Form:

Sheet

Pulp Material:

Fiber, wood

Basis Weight:

24.0 pounds per 500 sheets 17.0 x 22.0 inches

Grain Direction:

Vertical

United States Joint Committee On Printing Number:

E20

Special Features:

Lithographic finish

Specification Or Standard:

I type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A09200
