Fabrication Method:

Chemical

Width:

8.500 inches

Length:

11.000 inches

Usage Form:

Sheet

Pulp Material:

Fiber, wood

Basis Weight:

220.0 pounds per 1000 sheets 25.5 x 30.5 inches

Grain Direction:

Vertical

United States Joint Committee On Printing Number:

K10

Environmental Attribute Code:

Comprehensive procurement guideline - paper and paper products - printing and writing papers

Color:

Green

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A09200
