Cross Sectional Shape:

Rectangular

Length:

1.150 inches

Surface Condition:

Smooth both sides

Cross-sectional Height:

0.650 inches

Cross-sectional Width:

0.120 inches

Material:

Rubber, sm1369-02, lear siegler inc, instrument div

Material:

Rubber

Material Specification:

S-1369-02, lear siegler inc, instrument div mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
