**Cross Sectional Shape:**

Rectangular

**Fabrication Method:**

Solid

**Length:**

15.312 inches

**Surface Condition:**

Smooth both sides

**Cross-sectional Height:**

0.380 inches

**Cross-sectional Width:**

0.125 inches

**Material:**

Rubber, 960025, litton systems inc

**Material:**

Rubber

**Material Specification:**

960025, litton systems inc mfr ref single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A26800
