**Nonmetallic Hardness Rating:**

Not rated

**Min. Tensile Strength (psi):**

1000 pounds per square inch

**Width:**

Between 35.000 inches and 42.000 inches

**Thickness:**

0.031 inches

**Length:**

Any acceptable

**Surface Condition:**

Smooth

**Environmental Protection:**

Oil resistant

**Special Features:**

Length to be determined as required by mil-r-2765

**Color:**

Any acceptable

**Material:**

Rubber, synthetic, cured

**Material:**

Rubber synthetic

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A26800
