Solid Rubber Sheet - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/9320-00-222-2565

Nonmetallic Hardness Rating:
Not rated
Min. Tensile Strength (psi):
1000 pounds per square inch
Width:
Between 35.000 inches and 42.000 inches
Thickness:
0.031 inches
Length:
Any acceptable
Surface Condition:
Smooth
Environmental Protection:
Oil resistant
Special Features:
Length to be determined as required by mil-r-2765
Color:
Any acceptable
Material:
Rubber, synthetic, cured
Material:
Rubber synthetic
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A26800
