**Min. Tensile Strength (psi):**

4000 pounds per square inch

**Width:**

22.000 inches

**Thickness:**

0.500 inches

**Length:**

45.000 inches

**Surface Condition:**

Smooth both sides

**Special Features:**

Smooth finish

**Color:**

Black both sides

**Material:**

Rubber, natural, cured or rubber, synthetic

**Material:**

Rubber natural or rubber synthetic

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A26800
