Min. Tensile Strength (psi):

4000 pounds per square inch

Width:

22.000 inches

Thickness:

0.500 inches

Length:

45.000 inches

Surface Condition:

Smooth both sides

Special Features:

Smooth finish

Color:

Black both sides

Material:

Rubber, natural, cured or rubber, synthetic

Material:

Rubber natural or rubber synthetic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
