Nonmetallic Hardness Rating:

Not rated

Min. Tensile Strength (psi):

4000 pounds per square inch

Width:

22.250 inches

Thickness:

0.500 inches

Length:

64.000 inches

Surface Condition:

Gloss

Color:

Black both sides

Material:

Rubber, natural, cured and rubber, synthetic, cured

Material:

Rubber natural and rubber synthetic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
